Product and Service Code Summary

Supplier Name: MHM GIA (GLOBAL INSPECTIONS ALLIANCE) LIMITED

AchillesID: 00268456

4.1.12 Consumables for testing / inspection (film etc.)

4.4.39 X-ray inspection equipment

4.15.25 Sewer inspection products

4.24.151 Lifting Equipment & Inspection/Certification

4.27.25 Inspection, Test, Monitoring and Measuring Equipment

4.35.11 Nuclear in-service inspection equipment

4.135.6 NDT Inspection Equipment

10.1.14.1 Health and safety inspections

10.1.47.12 Training services in maintenance of mining equipment and systems (Subsystems, electric, inspection and analysis, instrumentalist, mechanic, symptomatic)

10.5.1 Building inspection services

10.5.4 Pipeline flushing, external / internal inspection, pigging services

10.5.5 Surface treatment inspection services

10.5.14 Pond and dam inspection and testing services

10.5.15 Ship inspection services

10.5.16 Wind farm components quality assurance, test and inspection

10.5.17 Wind turbine statutory inspection

10.5.18 Inspection services through destructive and non destructive assays

10.5.19 Inspection and evaluation services of structures

10.5.20 Inspection services of roads and airports

10.5.21 Inspection services of hydraulic, sanitary and irrigation

10.5.22 Port, maritime, fluvial works inspection services

10.5.23 Tunnel inspection services

10.5.24 Electromechanical assemblies inspection services

10.5.25 Laboratory inspection services

10.5.26 Road safety and signs inspection services

10.5.27 Inspection, control and measurement of thickeners in tanks, ducts and equipment through ultrasound

10.5.28 Inspection service and technical coordination of works

10.5.29 Inspection and repair of joint sealing

10.5.30 Work inspection consultancy services

10.5.98 Other inspection services

10.12.19 Inspection, testing, certification and calibration services

10.12.42 Maintenance and inspection services of pressure containers

10.12.114 Remote visual inspection and measurement services

10.12.155 Onshore windfarm maintenance, testing and inspection services

10.12.157 Offshore windfarm maintenance, testing and inspection services

11.10.42.11 Offshore wind turbine blade inspection, maintenance and repair

11.10.42.12 Onshore wind turbine blade inspection, maintenance and repair

11.10.42.15 Vessel services - offshore wind foundations inspection maintenance and repair

11.10.42.16 Vessel services - subsea cables inspection maintenance and repair

11.10.42.17 Vessel services - offshore substations inspection maintenance and repair

11.10.42.18 Offshore wind foundation inspection, maintenance and repair services

11.10.42.19 Subsea cable inspection inspection, maintenance and repair services

11.10.42.20 Seabed inspection, maintenance and repair services

11.10.42.21 Offshore substation inspection, maintenance and repair services

12.3.8 Statutory inspection services / safety assessments

13.2.23 Vessels, tanks or boilers inspection services

13.4.9 Electrical inspection / testing services

13.4.28 Mechanical inspection / testing services
